

'Amending Tasmania's climate change legislation' submission

Form Summary

First name: Julie

Last name: Payne

Organisation name: Individual

Email address:

Submission: A 2025 Emission Reduction Target As the state government claims to have already reached a net zero target, then this is to be celebrated and publicly acknowledged to the benefit of the Tasmanian brand. A 2025 net zero target would demonstrate real leadership and commitment to the Tasmanian environment and business' wishing to trade on our advantage.

Consent to publish: Yes, I am happy for my submission to be published
