

# 'Amending Tasmania's climate change legislation' submission

## Form Summary

First name: Margrit

Last name: Korosi

Organisation  
name: Individual

Email  
address:

Submission: We must,must,must do more about climate changes as weather over last few days is indication of our future!! In last year more rain,wind ,thunder and fire effected us all. My garden has changed already as flowers are blooming earlier. Vegetables have gone to seed too early and extra cold windy days knocked them over. We must aim for 2030 now.

Consent to  
publish: Yes, I am happy for my submission to be published
